

# CHILDREN'S ACADEMY, GHAZIABAD SESSION 2024-25

## SUMMER HOLIDAY HOMEWORK CLASS III

Dear Student,

Summer break is the perfect time to explore new things and have fun while learning. This year, your holiday task is designed to be both exciting and educational. The theme for your summer assignment is Nurture the Nature.

Nature is essential for our survival. We rely on it for everything, from the air we breathe to the food we eat. This summer, let's show our appreciation for nature by giving back some of the love it gives us.

Your holiday homework this year is an opportunity to learn about our role in protecting the environment and to adopt practices that promote harmony with our planet Earth. Looking forward to seeing your thoughtful and creative contributions.

Warm regards,  
Vice Principal

### INSTRUCTIONS FOR HOLIDAY HOMEWORK

- *Do not get the holiday homework done by anyone else.*
- *Parents must act as guides and facilitators but not substitutes to do the work. It must be the effort of the child.*
- *The use of internet for doing the tasks should be strictly under the supervision of parents.*
- *Prepare an A4 file folder and arrange your homework in it.*
- *The homework must be done systematically as per the given instructions on A4 size sheet.*
- *All A4 sheets should be neatly labelled and the name, class, section of the child should be mentioned clearly.*
- *The last date of submission of holiday homework is July 3 , 2024.*
- *Homework will be assessed for neatness, presentation, creativity and timely submission.*
- *Revise the syllabus covered so far in all the subjects.*

**'JOIN THE RACE TO MAKE THE WORLD A BETTER PLACE'**

### **WHAT YOU CAN DO**

When you see litter in the streets  
and the air smells of pollution  
When you feel like it's all piling up  
remember there is a solution,  
There's something each of us can do  
to keep the rivers clean,  
to keep fresh the air we breathe  
and keep the forests green,

- Help clean a beach or recycle bottles, cans
- Learn about the problems we face
- And help others understand!

# THEME: NURTURE the NATURE

We all know that we are nurtured by nature and without it, we can't survive. What many of us don't realise is that unless we in turn nurture the nature, we won't survive.

## EXCITING ENGLISH

### CROWN YOURSELF THE 'NATURE QUEEN/ KING'

As you plan to visit any place this vacation, be it a hill station, a beach, a nature reserve or even a relative's house, observe and collect unique items you find there. It could be a leaf, a shell, a dry flower or absolutely anything that excites you. Collect all these items and create unique crown, necklace and bracelet like no one has ever seen before! Wear them to rule your own Nature Kingdom. Click a picture of yours wearing them and paste it on an A4 size sheet.

1. Write 5- 6 lines on the same sheet on "If I were a Nature Queen/King, I would..."
2. Imagine you are the Nature Queen/King. What rules will you make to safeguard your Nature Kingdom?

# HARSHATI हिंदी

## गुल्लक

बचपन से ही बच्चों को पैसे बचाने की आदत डलवाई जाती है जिससे बचत करने की आदत विकसित होती है। इसके लिए सबसे अच्छा ज़रिया होता है गुल्लक।

### गुल्लक बनाने की विधि:

1. एक पुरानी प्लास्टिक की बोतल लीजिये ।
  2. बोतल को अच्छे से बंद करके उसके ऊपर टेप लगा कर उसका मुँह बंद कर दें।
  3. धातु कटर का उपयोग करके प्लास्टिक की बोतल के शीर्ष पर एक चीरा लगाएं।
  4. यह चीरा इतना चौड़ा होना चाहिए कि सिक्के और बैंकनोट अंदर जा सकें।
  5. अब कलर पेपर या पेंटिंग कलर की मदद से बोतल का रूप बदल दें।
  6. इसे और सुन्दर बनाने के लिए इसके ऊपर स्टिकर भी चिपका दें।
- हमारा साधारण गुल्लक इस्तेमाल के लिए तैयार है।

सन्दर्भ के लिए: <https://www.youtube.com/watch?v=YMSn38xIsjk>

### गुल्लक का महत्त्व:

A4 शीट पर गर्मी की छुट्टियों में आपने कितने पैसे इकट्ठे किये और उन पैसे का क्या किया लिखिए।

# MAGNETIC MATHS

## FRACTION FLOWER BOUQUET

- Create a Fraction Flower Bouquet to reinforce understanding of fractions.
- Each petal should represent a fraction of the flower (e.g.,  $\frac{1}{2}$ ,  $\frac{1}{4}$ , etc.).
- Arrange the fraction flowers on A4 sheet to form a bouquet.
- Use different fractions to make each flower unique.

# SPECTACULAR SCIENCE

## WORLD ENVIRONMENT DAY

We celebrate World Environment Day on 5th June, 2024. Let's see if you are environment-friendly and if your family is a water-saving family?

Tick (✓) the things that you and your family do -

1. Do you use a hose pipe for cleaning your vehicles?
2. Do you use a watering pipe for watering plants?
3. Do you keep the tap open while brushing your teeth?
4. Do you let go waste water generated from water filters in the kitchen sink?
5. Do you throw away the water left in your water bottles?
6. Does your helper / maid keep the tap open while washing dishes?

Observe the points where you have put the tick mark. These practices indicate wastage of water. Now, make a small hanging of save water and keep it at the places where you find water is getting wasted. Click pictures and write 5 ways to reduce water wastage on an A4 sheet.

# SASSY SOCIAL SCIENCE

## DO IT WITH A DIFFERENCE!!

Waste is one of the biggest problem we face during festivals. Festivals generate 25,800 tonnes of waste annually. That's how we have been celebrating festivals, year after year.

But this year, let's do it with a difference.

1. Name 2 festivals of your choice and mention the waste generated during their celebration.
2. Suggest any 2 ways to reduce this waste to make these festivals eco-friendly.

# CONCISE COMPUTERS

## **FREEDOM OF EXPRESSION**

Draw a beautiful scenery in Tux Paint/Paint using stamp, shapes, magic and fill tools. Also write your name, class and section using Text tool. Take a print out of your scenery on an A4 size sheet (B&W / Coloured) and submit it after summer break.

# RECREATIONAL RETREAT

## FROM TRASH TO TREASURE

Plan a family visit to Waste to Wonder Park in New Delhi for a wonderful experience where waste has been transformed to art. Write any 5 facts about the park.

Dear Parents,

Different types of languages are spoken by people from different regions, but the most important thing is that any language when spoken should be spoken correctly. The two common languages that our children should be able to speak fluently are Hindi and English. Since English is a universal language spoken and understood by people all over the world, we want our children also to be proficient in speaking it and for this we need full support and cooperation. We would appreciate if you adhere to the following points:

1. Speak with your child in English. Encourage reading habits.
2. Read out story-books and after finishing the story discuss it with your child.

The teachers are trying to encourage the children to use simple words, phrases and sentences like:-

- May I go to play?
- May I borrow your pencil / eraser / sharpener?
- I have finished my work.
- Ma'am, may I go to the washroom?
- Ma'am, may I go to drink water?
- Ma'am, may I come in please?
- Ma'am, may I go to wash my hands?
- Ma'am, may I sit in the front row as I can't see from the back?
- Ma'am, please repeat the concept as I'm unable to understand it.
- Ma'am, I have lost my shoes / blazer / tiffin box / water bottle etc.
- Ma'am, I came late as I missed my bus.
- Ma'am, I'm sorry. I have forgotten to bring my book, note book, pencil / eraser / drawing book etc.
- Ma'am, I'm sorry I couldn't complete my Home Work as I was unwell.
- Ma'am, may I borrow a pencil / eraser / ruler etc. from my partner as I've forgotten to bring it today.
- I am sorry for the delay.

Use of magic words like excuse me, sorry, thanks, please.

- When asking for something, say "Please."
- When receiving something, say "Thank you."
- Do not interrupt grown-ups who are speaking with each other unless there is an emergency.
- If you need to get somebody's attention right away, the phrase "excuse me" is the most polite way for you to enter the conversation.
- Knock on closed doors and wait to see if there's a response before entering.

Children can be encouraged to use simple words and sentences at home also. For example –

- Mummy, can I help you in the kitchen?
- Mummy, can I lay the table today?
- Papa, can I help you wash the car?
- Mummy, can I get you a glass of water?
- Grandpa, should I come with you for a walk?
- Grandma, should I help you put the thread in the needle?
- Mummy, can I get you a glass of water?
- Mummy, may I take some more Ice-Cream from the fridge?
- Papa, I'm sorry I was rude to you.
- Papa, please teach me how to ride a bicycle.
- Mummy, can I join the summer workshop in the school?
- Mummy, should I cut the salad today?
- Mummy, I will make a cup of tea for you. Please tell me where are the tea leaves.
- Mummy, can you teach me to make cold coffee please?
- Didi, can you help me find my English note book?
- Papa, can we go for cycling today?

Wishing people properly – Hello Uncle / Aunty how are you?

Wishing parents and elders Good Morning, Good Afternoon, Good Evening and Good Night.

If we, as teachers and parents make a sincere effort and pay attention to the above mentioned points, we can help our children to learn, to understand and speak English at an early age.

Make the most of the summer break and enjoy this time with your children.

Best wishes

Children's Academy
