- Make sure that you spend quality time with your wards.
- Giving them small responsibilities in household chores like watering plants, arranging the dining table, organising his/her cupboard, filling in of empty water bottles as this will aid them to be independent as well as helpful.
- Teach them the importance of ethics/ values in their life.
- Motivate them to read good books.
- Tell them about our great leaders, philosophers, Freedom fighters and induce a sense of pride in them. This creates a feeling of self esteem and patriotism in them.
- Encourage them to do one handwriting page each of English and Hindi daily.
- Keeping in view the heat, indulge yourself in various indoor games with them. Do take them to a park in the morning/ evening and help them to socialize and appreciate Nature.
